The Library received the monies for both the Live and Learn Grant and the Per Capita Grant from the Illinois State Library. The Live and Learn quarterly grant report was submitted. Mary Adamowski and I are meeting with other architectural firms for proposals on the flooring replacement project. Administration is currently working on the 2017 budget.

Librarian's Report

Diane Norris-Kuczynski was hired as our new Head of Youth Services. Recently, the Web Developer submitted her resignation to pursue a higher degree and the Preschool Coordinator will be leaving to

take a promotion at another library.

Our *Read for the Win* summer reading program is reaching the finish line. The businesses were very generous in their sponsorship and we thank them for their support. Registration for the Summer Reading Challenge is not as high as last year, but the patrons have enjoyed the water bottles donated by the Friends of the Orland Park Public Library as their prize for finishing. June monthly circulation is down, but overall, the 2016 library circulation is 2% higher than last year.

The remaining 2nd floor Group Study Rooms' carpet tiles have been changed out.

Last week, one of the chillers was found not running properly. Steve contacted Midwest Mechanical, to assist in locating the problem. Their response time was, as promised, less than 4 hours. On Friday their technician and Steve found the problem, which was a chafed wire, and they were able to replace the wiring early this morning.

As was reported earlier this year in the Assistant Library Director's report, Sound Vision, the company which serviced and maintained our audiovisual equipment in the library's large meeting room, computer classroom and the Youth Services Program Room closed. Administration will meet with several companies servicing this type of equipment to receive price quotes.

The Friends will host a special sale of their materials on Saturday, September 17. This event will be held in the lobby of the library in hopes to reduce their inventory and increase revenue.

2017 Strategic Plan Update – For Discussion

Unfinished Business

Assistant Director Adamowski gave an update on the 2017 Strategic Plan. First, Ryan Jedloe, Information Technology 2 staff member, has been added to the committee so he can bring his technology skills into the various projects we have earmarked for the plan. Currently Ryan is investigating equipment that will digitize library history which is one of our more aggressive action steps of the plan.

Goal 1 Objective 1 Customer service based

Circulation Services now provides a provisional library card to Village of Orland Park residents who may have come to the library without the necessary identification items needed to be issued a library

card. This is especially helpful during our current summer reading challenge in which we are experiencing many more visitors to our library.

Goal 1 Objective 3 Building improvements

The seating in the Teen Area has been updated! The 8 lounge chairs have been reupholstered in colors and patterns that truly complement the area. Four of the chairs now have study tablets attached to them so the students can be comfortable while studying. Sara Dempster, our Teen Librarian, has reported to me that the teens have commented on how much they enjoy the changes.

Goal 2 Objective 2 Community identifies with OPPL

Jackie worked diligently to revise the library's marketing plan which was approved in March of this year. The goals, objectives and actions steps of the Marketing Plan clearly spell out how the library's materials, programs and services will be communicated to our patrons.

Goal 3 Objective 1 Partnership with community

Through the combined efforts of Youth Services and Outreach Services, programming dealing with dyslexia will be provided. Our first program will be held in early October.

Goal 3 Objective 2 Programming opportunities for patrons of all ages

On December 7th, Terry Lynch of Histories for Kids will present three programs to the 7th grade students within District 135 commemorating the 75th Anniversary of the bombing of Pearl Harbor, These events were spearheaded by Youth Services' School Liaison Becky McCormack.

Goal 3 Objective 3 Standards for library volunteers and interns

All three of the action steps are in "pending" status but the committee plans to focus on this vital group in the near future.

Goal 4 Objective 1 Be a desirable workplace

The benchmark study for salaries has been completed and the results are being studied. The revision of the Personnel Policy is underway and we plan to make our October deadline.

Goal 4 Objective 3

The Department Heads and Supervisors recently met to begin work on the workflow/task timelines which will help streamline the many deadline dates, as well as assist managers in their daily and long-term planning.

Goal 4 Objective 4

A cost effective vending service has been provided to the staff with very positive response.

Goal 4 Objective 5

The Outreach Department will be trained by the Field Museum staff on how to register and catalog artifacts. This exciting venture will happen on July 27.

Final Action to be taken on the Market Benchmarking & Compensation Structure Development Project by the Management Association with the amendment that the Superintendent of Maintenance be placed at level O pay grade.

Director Weimar talked about Steve Newman's level and moving it to level O and also talked about sun setting policies. President Healey suggested meeting an hour before the next regularly scheduled Board meeting to talk about implementation of the Market Benchmarking. President Healy asked Director Weimar to speak on the exempt, non-exempt status implications when staff are attending outside conferences with the new changes to the Fair Labor Standards Act.

Motion to accept the Market Benchmarking & Compensation Structure Development Project by the Management Association with the amendment that the Superintendent of Maintenance be placed at level O pay grade. A roll call vote took place as follows: Barcelona – absent; Healy – aye; Jennings – aye; Kleis – aye; Leafblad – aye; Lebert – aye; Ryan – absent.

Motion passed. 5 ayes, 0 nays, 2 absent.

New Business

Trustee Leafblad asked about getting Superintendent of Maintenance Newman some temporary help and asked there be a clear plan when hiring and posting this type of position. Director Weimar said clarity can be added in the Employee Handbook which is in revision to address this concern. Graphics Manager Boyd mentioned that we will have a table at the Taste of Orland the weekend of August 5-7. August 13th from 10:00-4:00 there will be a COMIC CON in the Library for all ages.

Announcements

Treasurer Jennings moved to adjourn the meeting and was seconded by Secretary Lebert. A roll call vote took place as follows: Barcelona – absent; Healy – aye; Jennings – aye; Kleis – aye; Leafblad – aye; Lebert– aye; Ryan – absent.

Adjournment

Motion passed. 5 ayes, 0 nays, 2 absent.

The meeting was adjourned at 7:40 p.m.

CUSTOMER SERVICE LOG

July 19 at 2:15 p.m.

Patron called to move the Meeting Room date of a condo association's booking in August. All days were already filled for the particular room and time requested, however the patron thanked the Public Information Coordinator for checking.

July 18 at around 3 p.m.

A local chiropractor called the Public Information Coordinator asking to give a presentation to staff and to give free adjustments. The Public Information Coordinator denied the chiropractor's request as staff time cannot be spent in this fashion, staff educational opportunities have already been booked for the year, it might be a problem with insurance, and past attempts to set this up by a different chiropractor had been denied. The Public Information Coordinator did give the chiropractor the number for Outreach and suggested that the chiropractor consider sponsoring an upcoming event in a different way.

July 18 at about 11 a.m.

A local business had contacted the Public Information Coordinator to see if they could post their sales ads in the library. The Public Information Coordinator sent them the Display Policy and

offered to discuss it further with them, but denied the request, as it is against policy for businesses to display advertisements in the library.

July 17 at 1 p.m. and July 18 afternoon

A Carl Sandburg graduate contacted the library in hopes of writing poems for patrons who purchased her chocolates in front of the library. The Patron Behavior Policy was sent, and the person was denied. Fundraising and solicitations on library grounds are against policy.

July 12 at 7:27 p.m.

A business had attempted to book a meeting room for free by representing itself as a community organization. The meeting room policies and procedures were sent to them, and they were invited to call the Public Information Coordinator for further explanation and suggestions regarding other potential conference locations in the area where selling services would not be against policy.

Week of July 11

A local salon dropped off pricing sheets of different haircuts. The Public Information Coordinator denied the request to post them on the Community Kiosk based on the Display Policy, but called the salon owner to discuss whether they had a library card and were interested in using the library.

July 11

"I love it! Very nice!" wrote Kelly in Outreach to Kristen H.

July 8 at 9 a.m.

A patron booking a meeting room who had questions about using the projector and screen had said that the library staff had been very accommodating.

July 8

"Very cool!" wrote Kelly in reaction to a poster Kristen H. had created for the comic book propaganda event coming up on August 9.

July 7

Diane is Youth Services said, "Thank you" to graphic designers for creating new businesses cards.

July 6 at 5:23 p.m.

July 5 at 1:10 p.m.

A local Alzheimer's Support Group asked if they could post the dates and times of their meetings in the library. They were approved and said "thank you for your help".

June 30 at 5:17 p.m.

Public Information Coordinator reached out to a patron who had changed the date of a meeting room booking. Patron said, "Thank you for following up." They had had a good experience, and all their needs were met.
