

1983

We will be moving into the new addition November 14th thru November 26th. During the two weeks of the move, the library will be closed. This will necessitate a longer loan period. All books checked out beginning October 31st will be checked out for a loan period of six weeks. So that you can be well supplied with enough reading material, there will be no limit to the amount of books checked out.

To facilitate a smoother and more orderly move, it would be appreciated if you keep your books until their due date. There will be no overdue fines during this time.

Some services must be suspended during the move into the addition and during the remodeling of the present library. Beginning October 31st the library

will discontinue

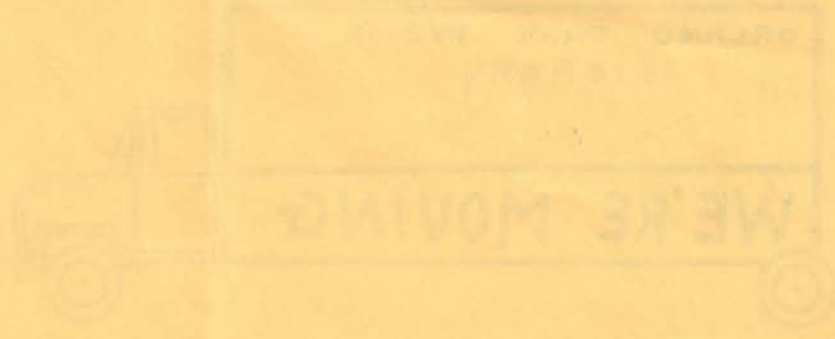

- MAGAZINE CIRCULATION
- BOOK RESERVES
- INTER LIBRARY LOAN REQUESTS
- FILM REQUESTS

Please keep in mind that you can enjoy uninterrupted library service by using your library card at the neighboring libraries that are members of the Suburban Library System.

The library will be open for one program previously scheduled.
