COMPUTER

CLASSES

Later this fall, look for a list of classes which will be held in the new computer lab. The computer lab will allow us to teach a larger variety of classes with hands-on computer access for up to sixteen students. Get a sneak peek at our **Grand Opening on Sunday, September 12th at 1:30 p.m.!**

You Can Still "Reserve Your Spot!"

A second installment of pavers and plaques is planned for late fall so library supporters can still "reserve a spot" by purchasing pavers to be placed in the front plaza or plaques to be placed on the ends of rows of book shelves in the Youth and Adult Services areas. A \$75 gift entitles supporters to a 4" x 8" paver with three lines for personalization; \$150 to an 8" x 8" paver with five lines for personalization; and \$500 to a 3" x 8" metal plate with three lines of personalization to be mounted on the end-panel of a row of book shelves. All contributions are tax deductible. For more information, stop by the library or contact Sharon Wsol at (708) 428-5202.

Building Project Update

Can you believe it only took the movers five days to bring everything from the Park Lane building to the new library? Amazing!

What did we do the rest of the time we were closed? The staff and construction crews cleaned; installed new equipment; organized and shifted collections; found our way around; unpacked boxes; put the finishing touches on the interior; attended training sessions on the new phone system and other necessary operations we needed to learn about the building; practiced opening and closing; and got plans underway for the Grand Opening Celebration. The Board of Library Trustees and the staff cannot wait for residents to see the new facility! **Our Grand Opening will be Sunday, September 12, 2004 at 1:30 p.m.** with entertainment and refreshments to follow throughout the afternoon. We hope to see you there!
